### SEPA DIRECT DEBIT MANDATE FOR REPEAT PAYMENTS

I authorise SIP Scootershop GmbH to withdraw payments from my account via direct debit. I also instruct my credit institute to redeem the direct debits withdrawn from my account by SIP Scootershop GmbH. Within eight weeks, starting with the date of my initial payment, I can request the reimbursement of the amount that I previously paid. The conditions agreed with my/our credit institute apply. Please note: Please ensure that your bank account contains sufficient funds, as return debits due to insufficient funds cause additional costs for each direct debit which is not redeemed, which we must invoice to you. If a second return debit occurs, or if the debtor deliberately implements a charge-back, we will forward our receivable to a debt collection agency without further notice. This will result in further costs and penalty interest. Deductions to invoices through charge-backs are not valid, in such cases, subsequent to agreement, we are able to provide a voucher instead.
